

Your support makes a difference!

Dear Members and Friends of the C. William Gilchrist Museum of the Arts,

As our dedicated board of directors and volunteers strive to bring high quality art experiences to our community, we rely on your interest and involvement. Because we are a volunteer organization that keeps administrative overhead to a minimum, membership dues and donations go directly to programming and maintenance of the museum. Your membership ensures the continuation of exhibitions, preservation of history, and upgrades to ongoing programs. All members receive free admission to exhibits and advance notice of the annual meeting and special events. For those who have been long time supporters, we deeply appreciate all you have done in the past and humbly ask for your continued support. If you are new to our nonprofit organization, we welcome you and look forward to meeting. We are truly grateful for your support at whatever level is comfortable for you.

This year, plans are to continue our commitment to providing a premier space for the presentation of original visual artworks by regional and nationally acclaimed artists, as well as expanding both adult and children's art education workshops, a wellness in the arts series, and a continuing performance venue. Please indicate your physical mail and email addresses on the return page, if you wish to receive further information about events and openings scheduled for this year.
